

FLOOR STOCK

Our floor stock agreements make it easy to quickly ship frequently purchased seasonings. By producing and storing your seasonings in our Distribution Center, our products are already ready when you need them, giving you purchasing flexibility and peace of mind.

IDENTIFY PRODUCT

Work with your dedicated Account Manager to identify frequently ordered products to add to your floor stock

REVIEW ORDER FORECAST

Review your forecasted seasoning orders with our team to establish the amount of stock to keep on hand

ESTABLISH FLOOR STOCK

We'll create a floor stock of two full orders of your product, or about three months of typical orders

PLACE & SHIP ORDERS

When you place an order, the product is pulled from your floor stock and shipped within one week*

**ORDERS MUST BE PLACED AS FULL PALLETS*

REPLENISH FLOOR STOCK

Once your order is placed and shipped, we replenish the full stock back to target quantities within 6 weeks**

***BY KEEPING TWO ORDERS IN STOCK, A SECOND ORDER IS READY TO SHIP IMMEDIATELY*

REVIEW FLOOR STOCK

Quarterly team reviews help to ensure quantities are appropriate and are adjusted with your approval
